Columbia, South Carolina

Public Notice #:11401 -02

Date: August 2, 2004

## NOTICE OF PROPOSED CORRECTIVE ACTION

Section 280.67 of the S.C. Underground Storage Tank Control Regulations (R.61-92) requires that any Corrective Action Plan prepared to meet the requirements of 280.66 must be placed on notice for public comment. The following applicant has submitted a Corrective Action Plan for the rehabilitation of groundwater contaminated by petroleum constituents released from underground storage tanks (USTs).

**Applicant: Frank's Carwash Of Lexington, 516 Columbia Ave. Frank's Carwash of Lexington had four (4) USTs used for storage of petroleum products. The facility is located at 516 Columbia Ave., Lexington, in Lexington County South Carolina.**

**Corrective Action was initiated at the facility in December 1998, and has consisted of air sparging (injection of ambient air) with vapor extraction, as well as bioremediation (injection of a biocatalyst and nutrient mixture into the subsurface). The remaining low-level petroleum concentrations will be reduced to acceptable levels by natural attenuation.**

A copy of the file is available for review at the Department's Freedom of Information Office, 2600 Bull Street in Columbia, SC. Please call (803) 898-3882 to schedule an appointment.

**Persons wishing to comment upon or object to Corrective Action approval are invited to submit same in writing within fifteen (15) days of the date of this notice to South Carolina Department of Health and Environmental Control, Underground Storage Tank Program, 2600 Bull Street, Columbia, S.C. 29201 or call John Abernathy at (803) 896-6240. The public notice # should be placed at the top of the first page of comments. Where there is a significant degree of public interest, the Department will hold a public hearing.**

Please bring the foregoing to the attention of persons who you know will be interested in this matter.
